Dear Parishioners and Extended Family Members,

Garbė Jėzui Kristui! Praised be Jesus Christ!

As we begin the month of June it's important to remember it is the month not only of Father's Day but also St. Joseph. St. Joseph was the quiet husband of Mary and father of Jesus. There is not a word recorded of his in the Bible. We know he was a man of God's will. He is the patron saint of all fathers and the patron saint of happy deaths since he is believed to have been surrounded by Mary and Jesus when he passed. St. Joseph, please pray for all fathers of our parish.

June is also when we remember the Tragic Days of June. It is now 76 years since those horrific days of our ancestors being put into cattle cars and transported to Siberia. Just as we remembered the sacrifices of our military for our freedom Memorial Day, we also this month remember the sacrifices of our ancestors and we probably continue to speak their language and carry out their traditions and culture. May God grant them their eternal reward.

Lastly, this is the month of the anniversary of my 25 years of priesthood. I have spent 75% of those years ministering to the Lithuanian community. I am truly grateful for this opportunity and have appreciated the confidence I have gained in speaking a second language and coming to know my identity more through ministering to you. May God continue to bless us as we continue our journey of faith together.

Dėkingai Jūsų Kristuje (Gratefully yours in Christ),
Fr. Steve
