Dear Parishioners and Extended Family of St. Peter Lithuanian Parish,

Garbė Jėzui Kristui! Praised be Jesus Christ!

Now that summer is here, it is my hope that each of us is able to enjoy the longer, warmer days. It is also my hope now that the work that has taken place around the parish grounds is completed, I can return to being a pastor instead of the pastor/foreman for the last year and a half.

If you are wondering how all this was done with no capital campaign, allow me to share this with you. First of all, the Building and Maintenance Fund is designed for these types of projects. To those of you who have seen the value of such a collection and have contributed consistently, Ačiū Labai!! (Aš esu dėkingas klebonas!)

Secondly, the proceeds from the Grand Lottery helped to finance the Aušros Vartai Marijos stained glass window. Thank you to Algis and Gloria Adomkaitis and the Parish Pastoral Council for their efforts as well as to all who supported the lottery.

The bulk of this money was left to us via an inheritance. Mr. Stanley Patton (Patakonis) left the parish all of his estate when he passed away. We are indebted to him for his generosity. I implore you to please pray for his soul.

Looking ahead, we will be preparing for the changes to the responses of the Mass, starting in September. I have enclosed a copy of the pew card that you will find when you return to our upper church in September. Please take the time to familiarize yourself with them. You'll be that much more ahead of the game!

Regarding the Lithuanian Mass, the changes in responses have not yet come about. I am not anticipating this anytime soon. We will be celebrating the Mass in its present form until we hear otherwise.

Wishing you God's blessing and rest this summer, I am

Nuoširdiai Jūsų Kristuje,

Kun. Steponas
