**Happy Summer to all of you my friends!**

I wanted to write you a few lines to introduce myself to you and to also say a few words of gratitude to the many folks that Fr Gerry and I have already had the pleasure of meeting. We are most grateful for the kind welcome that we have been afforded as we begin our ministry here in South Boston. I also want to express my profound gratitude to Fr. Zukas who has been most gracious to us. As you know this Collaborative model of grouping parishes together to better serve people and our families is new and not without its challenges. Fr Gerry and myself are still trying to find our way to celebrate masses each weekend in four different places. It has not been a real smooth transition to figure it all out. There are some who like to think that the lack of enough priests to staff the parishes of the Archdiocese is the main reason for this new Collaborative model. It is true that that does factor into the process but the real reason for its birth is the real shortage of people attending mass each week. Less than 20%!! We need to get people back to attending their parishes and being involved in the life of the Church. With your prayers and support we will in time have a more manageable schedule each weekend to better celebrate our liturgies throughout the Collaborative. We want to express our thanks for your patience and understanding.

The future of St Peter's is indeed very bright. As I have said it is our hope to work in concert with Fr. Zukas to continue the great ministry he has been providing you all and also to hopefully introduce new ideas and programs and opportunities for us to all grow in our faith. Over the course of the coming weeks we will be assembling a Pastoral Team to begin this new and exciting time in the history of St Peter's and South Boston. I hope that you and your family will be joining us on this journey.

For the moment I want to once again express my profound gratitude to you all for the kind welcome that we have received. We are excited to share our ministry with the St Peter family. May I humbly ask for your prayers as we journey together. May God Bless you all!

Fr. Steve Madden
